Whereas, This Agreement will become effective on the date specified above and will remain in effect, as written for a period of 5 (five) years. Unless terminated by either party, in writing, 90 (ninety) days prior to the scheduled termination of the last renewal date, this agreement will automatically renew for 3 (three) consecutive 5 (five) year terms.

Whereas, GATEWAY will execute this agreement with the COLLEGE, but reserves the right to utilize Distance Learning Systems Indiana, Inc., a company with common ownership providing essential products and services to help fulfill the terms set forth herein.

Now therefore, in consideration of the mutual benefits and obligations contained herein, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

PURPOSE

- This AGREEMENT formally recognizes that both institutions are active educational partners, committed to providing greater educational opportunities and services for students seeking a higher education program following their completion of GATEWAY programs, and/or earned industry certifications. This commitment strongly supports the concept of a seamless transfer that embraces the principle that transfer students should not be required to repeat competencies already achieved.
- Both institutions enter into this Agreement in the spirit of cooperation and mutually recognize each other as quality institutions of education. Each institution, furthermore, is dedicated to serving students from all walks of life, regardless of race, ethnicity, religion, sex, disability, color, age, marital status, national origin, sexual orientation or other non-merit factors.
- Under the terms and conditions of this AGREEMENT, GATEWAY students will be provided the opportunity to maximize, as much as possible, their GATEWAY coursework for transfer credit into the "COLLEGE." The credit equivalencies for GATEWAY coursework are reflected in the Articulation Agreement course equivalency chart.

TRANSFER ELEMENTS

This AGREEMENT establishes the principle that all articulated GATEWAY coursework will transfer to the COLLEGE, and that GATEWAY students will not be required to repeat completed equivalent courses at the COLLEGE in accordance with the transfer credit equivalencies reflected in the course equivalency chart. All credits from courses listed in Appendix A that are completed at GATEWAY with a grade of C or

higher, and/or as stipulated by the COLLEGE passing scores on standardized exams such as CLEP and DANES will be accepted and applied toward a designated/appropriate College degree(s) or Certificate Program(s). Corresponding credits from courses completed with a grade lower than C will not transfer.

GATEWAY students shall follow course/credit transfer processes of the COLLEGE and, therefore, must meet all applicable requirements and deadlines pertaining to application for admission, advising, registration, and payment of tuition and fees.

OBLIGATIONS OF THE COLLEGE

- The COLLEGE may refer its students to GATEWAY who wish to complete courses required for graduation when those courses are not readily available through the College. GATEWAY will prioritize these students to ensure courses are completed efficiently and on schedule.

- GATEWAY agrees to promote, advertise, and market the COLLEGE in a manner consistent with other such partners listed on the GATEWAY website and social media.
- GATEWAY understands it is not being engaged to function as a recruiter or admissions representative for the COLLEGE.

- The COLLEGE may refer students in need of specific courses not readily available at the COLLEGE to GATEWAY and GATEWAY will provide courses to students seeking general elective or general education credits referred by the COLLEGE. These courses will be offered at a 10% discount to standard pricing when courses are prepaid upon enrollment. If not prepaid, standard pricing will apply. The COLLEGE may alert GATEWAY of opportunities to market general education courses directly to their students when appropriate.
