The 5-year average benchmark (threshold for achievement) for 1st time certification exam pass rate is 75% as required by NMTCB and 80% completion rate. The completion percentage is below the requirement for 2019 but improved for 2020 and 2022. This rate is affected by the small class sizes. A continued improvement initiative is in place. The 1st time certification exam pass rate meets benchmark.

Medical Assisting (Certificate in Medical Assisting) (Knoxville)

Statistics are reported annually to CAAHEP. Per ARF Instructions “...five years of data reflects the CURRENT status of all MA students, ordered by admission cohort, who were admitted to program and have graduated... as of the time the ARF is submitted.”

Year	Program Retention (Admission Cohort)	Certification Exam Pass Rate (Graduation Cohort)
2018	66.67%	92%
2019	73.08%	56%
2020	78.43%	45%
2021	73.08%	59%
2022	73.68%	59%

The minimum threshold required by CAAHEP is a minimum of 60% averaged over 5 yr period, which was exceeded by the program. However, due to decrease in pass rate during COVID years, improvement initiatives are in place.

Medical Assisting (Certificate in Medical Assisting) (Asheville)
