Note: Where consideration for course Transfer is available, some courses may be considered for course Transfer past the published course timeframe to serve as elective course credit only. Transfer timeframes are waived for General Education/Science courses required for Accelerated BSN, LPN-BSN, RN-BSN and LPN-ASN programs.

^{*} A course waiver may be granted if the student has earned 60 quarter hours or 40 semester hours with a cumulative grade point average of 3.00 or has earned a bachelor's degree at a previous institution. If the course wavier is granted, the student must select and complete a course substitute of equivalent credits to meet the credits required for the program of study.

^{**} Refer to the Math Course Requirements in the Academic Catalog for information on exceptions that can be met to waive this course.
