South College is shaping the future through positive impact

South College offers programs that fit multiple interests, and our philosophy centers on Growth, Direction, and Excellence to serve our students. Community service is important, and students and staff are encouraged to serve by participating in both social and intellectual endeavors. Students often remember the support and encouragement from our faculty, because we place a priority on providing experienced instructors who help students individually and as a group succeed in the classroom.

over
20,000
STUDENTS
representing
50+ states

Areas of Study

South College offers a comprehensive portfolio of 100-plus programs and concentrations spanning from certificates to doctoral level.

Our programs fit multiple interests and are designed to help students build an educational foundation of knowledge and skills as they pursue their personal and professional goals.

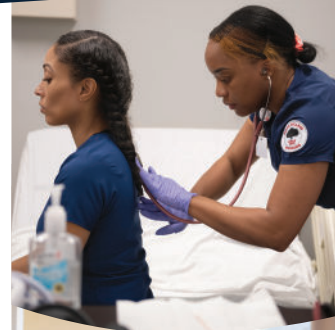

South College graduates are prepared to enter the workforce.

- **Career-Focused Curricula:** Programs developed to align with real workforce needs.
- **Flexible Learning Pathways:** Certificate, associate, bachelor's, master's, education specialist, and doctoral programs designed to help students enter, advance, or transition within their careers.
- **Diverse Program Areas:** Multidisciplinary program offerings across Healthcare, Business, Information Technology, Education, Legal Studies, Criminal Justice fields, and more.
- **Employer-Ready Graduates:** Students gain the technical skills and professional competencies needed for the occupation.
- **Hands-On Training:** Many programs include labs and clinical experiences or practicums that help prepare students to contribute immediately in the workplace.

Students by degree

Degree	% of Grads
Certificate	9%
Associate	53%
Bachelor's	12%
Master's	9%
Educational Specialist	1%
Doctorate	16%

Based on Student Enrollment as of November 2025

CONNECT WITH OUR **Graduates**

Below are some best practices to help you engage with our students and graduates.

1. Build Relationships Early

Employers see the best results when they connect with students early and stay engaged year-round. Classroom visits, career events, and virtual sessions help students learn about your organization and envision a future with you.

2. Connect with Our Career Services Department

Our Career Services team supports your recruitment goals. With multiple start dates year-round, new students and graduates join our community continuously. Contact us anytime to discuss events, timelines, or recruitment opportunities by emailing **EmployerPartners@south.edu**.

3. Share Your Job and Internship Opportunities

Post your jobs free with South College and reach students and alumni across all campuses.

A JOB OPENING

4. Participate in Career Fairs and Hiring Events

Each South College campus hosts one or two career fairs a year, plus in-person and virtual hiring events. To join our employer invitation list, email **EmployerPartners@south.edu** and note your preferred campus or region.

5. Schedule On-Campus or Virtual Interviews

Our team can help coordinate interviews that fit your schedule, whether in-person at one of our campuses or virtually from your office.

We can assist with:

- Coordinating interview dates that align with class schedules
- Reconnecting you with students met during events
- Promoting your openings and providing pre-screened resumes

*Together, we
can connect
talent,
education,
and
opportunity.*

**Employers can gain
access to job posting
opportunities** and campus
engagement events.
